

Duneland Summer League

Liability and Athletic Training Accessibility

We are excited that you have decided to attend the Duneland Summer League this year! We trust that you will have a good time and that this will be productive for both you and your team. We wanted to let you know that we will not be having an athletic trainer on site for the Duneland Summer League. We will have access to the training room and can access ice from the ice machine if that is needed. The girls' basketball program will have coaches and players available to assist if anything is needed. Visiting coaches and their players should be aware that Chesterton High School will not have an athletic trainer on site for the Duneland Summer League and that Chesterton H.S. as well as the athletic department and the girls' basketball program are not liable for any injuries that could occur throughout summer league. It is extremely important that every player you have that is planning on playing in our summer league sign the bottom of this sheet stating that they have read this liability form and that they are aware they are responsible for themselves. This liability form shall be turned in the day you and your teams play their first game. **It is important to note that if any of your players do not sign this sheet, they will not be allowed to participate in the summer league games.** If you have any questions regarding this liability form, you can contact Coach Tommy Berry at 219-309-5920, or by email at tberry@duneland.k12.in.us . Thanks for your cooperation and we look forward to seeing you at our summer league!
